RE: Amended Mid-Year Report (1/1/99-6/30/99)

Dear Ms. McCarthy,

Enclosed is a copy of the Schedule C which was included with our last amended filing. Additional explanation which I was not able to include with this was that this is actually just a renegotiation of the due dates of the existing loans from the candidate. The two outstanding loan due dates were extended 12 months. No new loans were actually transacted. In trying to convey this using the FECfile software there was no sufficient means of accomplishing this. It had to be shown as the original loans being paid off with new loans just to adjust the due dates to the new terms.

I hope this clears up any confusion on this matter.

Sincerely,

Douglas L. Seitz  
Assistant Treasurer
